Dear Sir/Madam,

At the suggestion of Charles Welch at the Patent Electronic Business Center, I am attaching hereto various Revocations and New Power of Attorney Forms that were originally faxed filed on January 26, 2005 and January 27, 2005, respectfully. As of today's date, these Powers of Attorney have not been recorded against each respective application/patent. Seeing that it has been over 2 months and we still have not received any communication from you regarding the status of these Powers, I am faxing the attached to you for prompt review and processing. The processing of these Powers is necessary so we may finalize our PAIR set up. As a result, we would greatly appreciate you processing the attached as soon as possible.

Thank you.
